A group of approximately 15 people are walking along a winding red gravel path in a park. The path starts in the lower left, goes up a small hill with concrete steps, and then continues to the right. The surrounding area is lush with green and yellowing trees and bushes, indicating autumn. The sky is overcast. The people are dressed in casual outdoor attire, including jackets, backpacks, and hats. A black trash can with the word "WASTE" on it is visible on the right side of the path. A wooden bench is partially visible behind the trash can.
